90	I would like to attend the events however I am a student and am not up to speed with all local events. The performance about Sichuan in November looked really good, however was unable to attend. Perhaps an emailed newsletter would be more efficient and save on paper!	Mar 25, 2011 2:14 AM

Page 7, Q2. What do you think of the quality of the existing bus service?

1	Massive decline - very poor reputation based on poor reliability	Apr 23, 2011 10:55 PM
2	Thank goodness I have a car	Apr 16, 2011 12:40 PM
3	Cost OK	Apr 16, 2011 11:52 AM
4	However my mother did use it and I think it is very important for those who cannot drive - the elderly etc.	Apr 16, 2011 11:32 AM
5	What do you expect?	Apr 16, 2011 10:08 AM
6	I wanted to use the bus many times but there was never one to get at a reasonable frequency	Apr 15, 2011 8:37 AM
7	not used recently enough to know	Apr 14, 2011 4:20 PM
8	I did use the service when it ran later in evening	Apr 12, 2011 7:14 PM

14	cannot rely on service	Apr 6, 2011 1:27 PM
15	I don't use Premiere. Calverton connection very good all round Black Pen - CC bus Blue Pen - Premiere (with the exception of the red 7 that can come back from town which i may start to use)	Apr 6, 2011 10:06 AM
16	My opinions are based on 'hearsay'!	Apr 5, 2011 5:18 PM
17	We need a anew bus service. the route is too long and the bus turns up when they want to	Apr 4, 2011 8:25 PM
18	the route is too long and clashes with route of 100 Southwell bus which runs regularly. Most villagers would like a bus service that runs through Calverton in order that they can get to the doctors etc. Premiere are not reliable, on many occasions the bus does not even turn up. Excuses have included breakdown, fallen trees and "trouble in Calverton". the drivers on the last bus 23.05 p.m. often try to say they don't come to oxtan or that they don't know the route. this bus also leaves Nottingham early.	Apr 4, 2011 8:17 PM
19	If the service was more regular/reliable, I would use it more. had far too many weak excuses from service provider	Apr 4, 2011 8:07 PM

23	so infrequent that of no use	Apr 4, 2011 2:47 PM
24	It is not satisfactory to Nottingham	Apr 4, 2011 10:50 AM

Page 7, Q2. What do you think of the quality of the existing bus service?

25	I do not use the bus service as they hardly go where I need to go and are at ridiculous times	Apr 3, 2011 1:27 AM
26	There should be a connection to Calverton	Mar 29, 2011 4:32 PM
27	There's no suitable servuice for the Doctor & shops at Calverton	Mar 29, 2011 3:39 PM
28	the existing service is nowhere near good enough	Mar 29, 2011 7:59 AM

32	Never used but would if more frequent/routes into Nottingham	Mar 26, 2011 9:06 PM
33	not available when needed	Mar 26, 2011 8:53 PM
34	respondent ticked several and once a week in Q1	Mar 26, 2011 6:25 PM
35	respondent said Parish Council should minimise spending to provide the services and facilities needed - mixture of the 2 options	Mar 26, 2011 3:58 PM
36	respondent put "neither" to Q2 re parish Council spending	Mar 26, 2011 3:48 PM
37	I would like to use the service more. on many occasions i have waited at a bus stop on the bus simply hasn't turned up. I have spoken to the company on these occasions and they simply say the driver must have missed the stop. also there is NO regulariy to the low accessible bus to wheelchairs! this is embarrassing for a village a part of Nottingham!	Mar 25, 2011 2:19 AM
38	better routing needed even if it means 2 buses to town centres. Drivers skip some stops at the moment	Mar 19, 2011 10:56 AM
39	Often does not call at the stop at the Post Office. Easier access to Southwell please	Mar 19, 2011 10:40 AM
40	Bus to Calverton, Arnold or direct to Nottingham needed	Mar 16, 2011 8:22 PM
41	I can't comment on the bus service because I don't use it but we need a better link with Calverton	Feb 21, 2011 4:00 PM
42	Long route to get into Nottingham, no early or late buses	Feb 19, 2011 2:06 PM

4	when able to walk	Apr 16, 2011 11:52 AM
5	As I ddrive and work in the Nottingham area it is unlikely I would use it, however this doesn't\mean I don't see its importance for others	Apr 16, 2011 11:32 AM
6	Would like to know why there is no bus service going north such as Worksop, Doncaster, only to get this service of bus I would have to get bus from Oxtun to Nottingham then come back from Nottingham to Worksop other areas north.	Apr 16, 2011 10:30 AM
7	While I can afford to use a car, the bus will remain a back up service.	Apr 16, 2011 10:08 AM

Page 7, Q3. If available, what bus service from Oxton would you use regularly?

28	If the bus came on oxton Hill we'd use the service to Nottingham and Southwell	Mar 25, 2011 6:40 PM
29	the Bus services need to run from Southwell.Oxton to Nottingham via Oxton Hill.	Mar 25, 2011 6:23 PM
30	MORE LOW ACCESS BUSES, BUSES THAT TURN UP. BUSES THAT DON'T TAKE AN HOUR. BUSES THAT RUN THROUGHOUT THE DAY! Its quicker to walk to Calverton than it is to wait for an Oxton bus!	Mar 25, 2011 2:19 AM

61	Clean out the existing dykes to ensure proper drainage	Mar 27, 2011 9:30 PM
62	Regarding the flooding, the main cause of this is the water course that joins the Dover beck at Nix's gate. The volume of water coming back into the D Beck has the same effect as 2 main roads joining, all cars are reduced to a crawl. the water is going through a narrow tunnel under the roundabout and the D Beck comes to a standstill. It is downhill all the should be diverted to below the roundabout where the ground falls away. the only problem is getting it under the road. It could be put in a concrete pipe and covered over, giving the farmer his field back. The surplus sand would then need no maintenance for weeds blocking the waterway and the D Beck would flow again.d way to Lowdham and the other waterway	Mar 27, 2011 11:17 AM
